Starcraft Marine 250 I/O SCX

Boat Type: Deck Boat

OVERVIEW

The 250 SCX I/O is our premium offering in this line of crossovers and sets the standard for water sports boats. With sleek model design and sharp features for comfort and relaxation along with uncompromised quality, the 250 SCX I/O by Starcraft stands out in a crowd.

The 250 features a maximum horsepower of 430 and a 68-gallon fuel capacity. Combined with its moveable bow fillers, which provides you with the option to stretch out your legs or increase bow seating, and a removable 36-quart cooler.

The unique Crossover SCX IO series gives you runabout performance with deckboat capacity - delivering the best boat of both worlds in one stylish package.

SCX inboard models feature the exclusive Modified Dihedral Cat Hull for smooth, stable handling that puts you in full control of up to 300 hp.
