Starcraft Marine SX 23 R DC

Boat Type: Pontoon Boat

OVERVIEW

Not for the fainthearted, the 2018 SX Series is meticulously engineered to deliver an exhilarating custom pontoon experience. Performance enthusiasts will instantly connect with the leading edge HMX performance strakes with PR25 center tube allowing for greater performance in rough water. Soft touch vinyl, RGB LED lighting, and the option of side or dual consoles allows each boat to be customized to your preferences. Take the next step into luxury and performance today!
