Starcraft Marine Fishmaster 196

Boat Type: Sport Fishing

OVERVIEW

With its 100" beam, the 196 Fishmaster is a big-water fisherman's best friend. The open floor plan gives you more room for rod storage and a huge, 41-gallon livewell. Plus, with a removable jump seat, you have the choice of taking along more anglers or keeping all that space for yourself.

Fishmaster features a pro-style console with lighted gauges, rocker switches, stereo with J-port, and 12-volt power point with space for an optional sonar unit.
