Starcraft Marine STX 2050

Boat Type: Sport Fishing

OVERVIEW

Tournament-style fishing has a great fit in the STX 2050 aluminum boat from Starcraft. Sleek and sporty, the STX 2050 is loaded with features — from the awe-inspiring console, to the four wood-free fishing seats, to the enormous, 36-gallon lighted, aerated, timed and recirculating livewell with an integrated baitwell and oxygenator.

The STX 2050 also lets you kick it up a notch with great optional equipment, including a sonar unit, a trolling motor, a depth gauge, snap-in carpet and a full enclosure that's ideal in rougher weather.
