# Sunseeker 74 Sport Yacht

Boat Type: Motor Yacht

## OVERVIEW

### THE BEST OF BOTH WORLDS

The cues are all there. The low profile. The sleek yet elegant flowing lines.

This is a Sunseeker through and through.

Space and socialising are key to this impressive new Sport Yacht. Built with copious amounts of entertaining space, including plenty of comfortable seating, large sunpads both fore and aft. The cockpit space is seductively shaded by the bridge deck and hydraulically drop-away cockpit doors allow the interior living space to become one with the outside.

Up-top you'll find a stylish sports bridge. Providing further social and storage space, and a wonderful vantage point, offering truly breath-taking views of your surroundings.

This beauty is only enhanced by cutting-edge technology and elegant finishes throughout. It's everything you and

your many guests could wish for.
