Rinker Q3 OB

Boat Type: Sport Cruiser

OVERVIEW

Q3 OB

The Q3 Outboard is the latest model in the Q Series line-up.

Consistent with the other Q models, the Q3 OB has a deep, hot tub style bow that offers safe riding and comfortable lounging for its passengers. Additional similarities include an open concept floor plan that offers plenty of room for family, friends, and pets.

Storage areas, cubby holes, and stainless steel cup holders ensure everyone's belongings find their place out of the way.

New to the Q3 OB model is the patent pending Stow-n-Step™ seating that is standard on the oversized transom walk-through. Two additional Stow-n-Step™ seats are optional for the swim platform. These seats stow away when not in use. The anti-slip starboard cover offers sure footing when stored. When an extra seat is needed, the one-hand operation offers a quick and convenient conversion into a comfortable flip-up seat.

The Q3 OB also offers a port-side swing-back lounge seat that increases passenger capacity or converts to a lounge for a comfortable day of reclining on the water.

SPECIFICATIONS

Basic Information

Manufacturer:	Rinker	Boat Type:	Sport Cruiser
Model:	Q3 OB	Hull Material:	
Hull Type:		Category:	Power

Dimensions & Weight
