FEATURES

EXTERIOR

The cabin-top design creates a more elegant and punchier roof outline.

A large sunbathing area on the cabintop

The sail areas are the same with the FlyBridge version. However, the lower mast and boom:

- reduces pitching
- makes the boom easier to access

The cabintop bulkhead fitted steering position fitted on the cabin-top aft bulkhead includes the following:

- all maneuvers
- integrated large helm station seat
- access from the cockpit and the deck
- an optional extra safety system is also offered, with a tilting composite beam (optional) to close off the steering station in bad weather
- a composite bimini above steering area is available as an option

INTERIOR

Interior design by Nauta: elegance and functionality.

Saloon and cabins exceptionally well lit.

Natural light in cabins thanks to large glazed panels on hulls.

Truly luxurious owner's cabin.

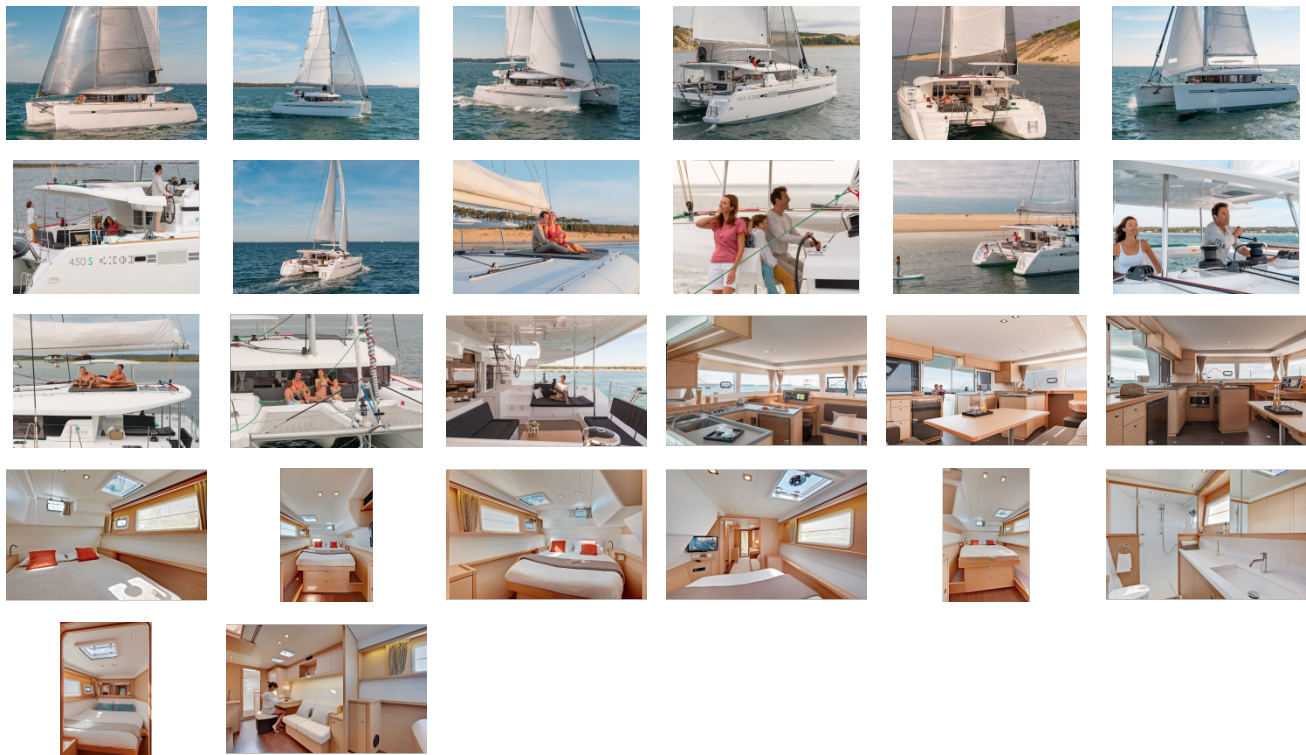

Comfortable guest cabins with a side access to the double bed.

"U"-shaped galley for greater comfort at sea, equipped with large hot plates, broad work space and plenty of storage.

Optimization of the access between the cockpit and the galley.

Engine compartments remote from the living areas and perfectly insulated.
