FEATURES

Cockpit

It's always good to be the Captain of the ship, but it's never been this comfortable. Featuring a double helm seat, companion lounge with cup holders and a removable 25-quart cooler, wet bar, and sun lounge, the party and the ride start in the same place.

Helm

Featuring ergonomic controls, standard GPS, and a walk-through windshield, the intuitive helm was designed to get you where you're going, even if you have nowhere special in mind.

Cabin Salon

Settle in for a few drinks or some great conversation with guests in the 315 Express's fully carpeted salon area below deck! With a spacious dining area, comfortable seating, and 15" LCD TV with DVD player, the inside of this ship may be as fun as the outside!

Swim Platform

Sometimes the best way to enjoy your boat is by jumping off of it into the water! The 315 Express comes equipped with an easy-access swim platform on the back.

Galley

Bring home cooking and associated amenities to sea with the 315 Express's fully-functional galley complete with electric stove, microwave oven, refrigerator, and sink.

Forward Stateroom

Relax and recharge for the day ahead in the forward stateroom's full-size berth with privacy curtain, clothes locker, and storage locker.

Head

It's easy to spend the entire day (or days!) on the water with the 315 Express, as it comes with a spacious head including toilet and sink.

Aft Settee

The Aft Settee was designed with "the more the merrier" in mind. This plush seating area converts to a large double berth for guests who want to extend their stay.
