Steiger Craft 21 DV Miami

Boat Type: Pilothouse

OVERVIEW

Our new 21 Deep V Miami/Chesapeake delivers classic lines, aggressive performance, maneuverability and a massive cockpit (50sq. ft.) for a boat of this size. Weighing 1,000 lbs. more than it's nearest competitor, without sacrificing performance and efficiency, makes the 21 Miami/Chesapeake ideal for fishing rough water or for family fun.

Our 21 Miami/Chesapeake is built with the same tried-and-true construction methods that have been proven time and time again, making Steiger Crafts the best built boats on the water.

Our Miami/Chesapeake models feature hand laid fiberglass construction coupled with our exclusive I-Beam grid system technology, offering durability and a rigid structure that can withstand any sea conditions.

Some key features that set the 21 apart from other boats its size are the optional Armstrong 4-stroke bracket, massive cockpit space (50 Sq. Ft.), a couch that seats three comfortably, an optional 42 gallon circulating livewell, tackle box, hose holder, sinker trays and toe rails.
