Steiger Craft 23 Center Console

Boat Type: Center Console

OVERVIEW

When redesigning our new 21 Long Beach we introduced more comfort features than ever before, while maintaining our traditional hard-core fishing design. Such new amenities include: a stand-up head in the console (with "teak" sole), powder coated leaning post/rod holder, increased storage, resulting in a world-class fishing platform with features and amenities for the entire family.

Our newly designed stand-up head in the console provides ample space for comfort and storage, while featuring 5'8" headroom, a massive entryway, "teak" flooring, marine head, and porthole for ventilation.
