# Steiger Craft 255 Center Console

Boat Type: Center Console

## OVERVIEW

When redesigning our new 255 Long Beach we introduced more comfort features than ever before, while maintaining our traditional hard-core fishing design. Such new amenities include: a stand-up head in the console (with "teak" sole), powder coated leaning post and T-Top, two-tone cushions throughout the boat, and a large forward v-berth lounge area with backrest, resulting in a world-class fishing platform with features and amenities for the entire family.

The spacious Steiger 255 Center Console is designed to offer more seating, tackle storage and performance features while maximizing deck space.

Our newly designed stand-up head in the console provides ample space for comfort, while giving the captain dry storage for gear. The new console now features 5'8" headroom, a massive entryway, "teak" flooring, marine head, and porthole for ventilation.

SPECIFICATIONS

Basic Information

Manufacturer:	Steiger Craft	Boat Type:	Center Console
Model:	255 Center Console	Hull Material:	
Year:	2019	Hull Type:	
Category:	Power
