Edgewater 280CX

Boat Type: Center Console

OVERVIEW

The 280CX Crossover fulfills the requirements and demands of every outdoor enthusiast. From the overstated V-Berth to spacious bow area and dance floor size cockpit the 280Cx has the ability to take anything you give her. Built with an unsinkable deep-V design and using EdgeWater's proprietary SPI (single Piece Infusion) process, and powered with Yamaha's reliability and fuel efficiency, the 280CX makes it possible to escape and create memories every day.
