Invincible 36 Open Fisherman

Boat Type: Center Console

OVERVIEW

The Invincible 36 Open Fisherman is available with twin or triple outboards. With top speeds in excess of 70 MPH (with triple engines) and a max fuel capacity of 475 gallons the limitations are minimal. The 36 is our original model that built the rock-solid foundation of Invincible Boats and still defines the reputation of our boats for having the great rough water ride that they do.
