Invincible 42 Open Fisherman

Boat Type: Center Console

OVERVIEW

The Invincible 42 Open Fisherman is available with triple or quad outboards. With top speeds in excess of 65 MPH (with triples) the 680 gallon fuel capacity will give you unsurpassed range for a boat in this class. The 42 typically outperforms the competition in all aspects with triple 350's versus the competitors' boat with quad 350's. The extra length and beam give the 42 a true big boat feel allowing for a very stable, yet nimble ride when the seas are the most challenging.
