Beneteau Barracuda 7

Boat Type: Sport Fishing

OVERVIEW

The clever Barracuda 7 sport fishing pilothouse boat is the result of the experience gained during the last Barracuda Tours. Sporty, comfortable and modular, this new outboard motorboat comes in two versions with different layouts and has thirty or so options. Her new fishing station promises wonderful fishing sessions at sea.

The Barracuda 7 benefits from Beneteau's vast experience in the development of specific hulls and is built on the latest generation of outboard motorboat hulls. Quick to plane and stable to drive, she is safe underway, but makes no concessions to sensations. Still loyal to the strong design of this range, the Barracuda 7 has a straight pilothouse that looks particularly robust.

The pilothouse has a 360° view and houses a driving station together with an extremely comfortable co-pilot's seat. The two sliding doors open onto the port and starboard walkways, while the heads are located in the large completely closed stowage space, just below the pilot's seat, which can be converted into a double berth. The light oak ambiance, and matching anthracite upholstery in the larger spaces, gives the boat a comfortable and cosy atmosphere.

SPECIFICATIONS

Basic Information

Manufacturer:	Beneteau	Boat Type:	Sport Fishing
Model:	Barracuda 7	Hull Material:	
Year:	2021	Hull Type:	
Category:	Power		

Dimensions & Weight

Length:	21.00 ft	Draft - max:	-
LOA:	24 ft 6 in - 7.47 meter	Bridge Clearance:	-
Beam:	8 ft 2 in - 2.49 meter	Dry Weight:	4126 ft
Deadrise Aft:	-		

Tank Capacities

Fuel Tank:	53 gallons - 1 tank(s)	Holding Tank:	-
Fresh Water Tank:	13 gallons - 1 tank(s)
