Vanquish 26 DCE

Boat Type: Dual Console

OVERVIEW

26 DCE

Looking for the most Peaceful day on the water possible? Consider the new electric powered 26 DCE. The DCE is our ever popular 26 Dual console with electric power. With a total run time of up to 20 Hours Between charges the power package will far outlast the kids when it comes to a day on the water. With the standard 50 amp charger the battery pack can be fully recharged in just 4 hours. Winterization, and engine maintenance costs are virtually non existent, and fuel cost are a thing of the past. Enjoy all the features of the Standard DC with only the sounds of wind and water to accompany the Perfect day on the water.
