

Kadey-Krogen 44 AE

Boat Type: Trawler

OVERVIEW

With the introduction of the Krogen 42' forty years ago, Kadey-Krogen Yachts pioneered the full displacement trawler yacht. Today, the Krogen 44' AE has perfected the concept. She is a great sea boat, a proven transoceanic voyager and, just as important, thanks to her layout and advanced ergonomics she offers live aboard ease and comfort that is simply unparalleled.

A look around proves the point. The pilothouse is not only the command center with wide-angle views, this is a focal point for conversation and sight-seeing for the whole crew as well as a living space with a double watch berth. The flybridge is a standard feature on the Krogen 44' AE, and a staircase, not just a ladder, provides convenient access. Also important to note, the foredeck of this model is all business. The bow pulpit and windlass are set up for dual anchors and the railings are high for safety.

Being easier to handle and easier to maintain are qualities that every bluewater boat should offer, but few actually deliver these and the comfort of home, too. The Krogen 44' AE offers as much as 25 percent greater fuel efficiency, superior construction techniques and advanced ergonomics.

SPECIFICATIONS
