

# Kadey-Krogen 48 AE

Boat Type: Trawler

## OVERVIEW

Thanks to the architectural integrity of this Kadey-Krogen design and her Pure Full Displacement™ hull form, today's Krogen 48 AE delivers superior performance over any similar-sized full displacement yacht, especially in a following sea. The fine entry of a Kadey-Krogen cuts waves, which is more efficient, and also yields a softer ride (less pounding in head seas). Plus the V-shaped aft sections slice following seas rather than surf them, and that translates to comfort (less roll) and safety on board. And with less resistance and drag overall, Kadey-Krogen engineering results in better fuel economy. The pilothouse of the Krogen 48 AE is command central and is designed according to an owner's specifications. Single or side-by-side helm seats, multiple redundant navigational systems, even the look and design of the wheel, are all up to personal preference.

## SPECIFICATIONS

### Basic Information

|               |              |                |              |
|---------------|--------------|----------------|--------------|
| Manufacturer: | Kadey-Krogen | Boat Type:     | Trawler      |
| Model:        | 48 AE        | Hull Material: | Fiberglass   |
| Year:         | 2019         | Hull Type:     | Displacement |
| Category:     | Power        |                |              |

### Dimensions & Weight

|               |                         |                   |                         |
|---------------|-------------------------|-------------------|-------------------------|
| Length:       | 48.00 ft                | Draft - max:      | 5 ft - 1.52 meter       |
| LOA:          | 53 ft - 16.15 meter     | Bridge Clearance: | 29 ft 3 in - 8.92 meter |
| Beam:         | 16 ft 8 in - 5.08 meter | Dry Weight:       | -                       |
| Deadrise Aft: | -                       |                   |                         |

### Tank Capacities

|                   |                          |               |   |
|-------------------|--------------------------|---------------|---|
| Fuel Tank:        | 1000 gallons - 1 tank(s) | Holding Tank: | - |
| Fresh Water Tank: | 400 gallons - 1 tank(s)  |               |   |
