

Kadey-Krogen 52

Boat Type: Trawler

OVERVIEW

The Krogen 52's, with her signature Kadey-Krogen Yachts Pure Full Displacement hull form, offers the same superb range and superior bluewater capability as her big sister, the Krogen 58' EB. She's also equipped with many of the same design elements, including a raised pilothouse and spacious living areas. She's whisper quiet, too.

The Krogen 52' raised-pilothouse design is spacious and confidence-inspiring—large navigation screens, room for dual helm seating, and great sight lines. Aft of the helm, the accent is on comfort with a settee plus foldout table that make a terrific observation perch for company. Even with all this room, the Krogen 52' is easy for two people to handle without the need for additional crew.

Plus, the 52 is a performer at sea. The fine entry of a Kadey-Krogen cuts waves, which is more efficient and also yields a softer ride (less pounding in head seas). The V-shaped aft sections slice following seas rather than surf them, and that translates to comfort (less roll) and safety on board. And with less resistance and drag overall, Kadey-Krogen engineering results in better fuel economy.

The Krogen 52 is available standard with a single John Deere 231hp, or optionally equipped with twin John Deere 125hp diesels.

SPECIFICATIONS

Basic Information

Manufacturer:	Kadey-Krogen	Boat Type:	Trawler
Model:	52	Hull Material:	Fiberglass
Year:	2019	Hull Type:	Displacement
