Amel 60

Boat Type: Cruiser

OVERVIEW

The newest member of the family, AMEL 60 is in the same vein as AMEL 50, designated “European yacht of the year 2018”. The generous volumes of this large sailboat have been designed to allow owners and their guests to enjoy life on board, while preserving the privacy: a large living space in the square, a high-end kitchen ultra-equipped, three cabins each with a bathroom, a protected cockpit, spacious and open on sunbathing inviting to relax...

In addition to its layout and refined design, AMEL 60 is rich in technical assets, such as its rig, consisting of a new carbon mast, which increases its performance and comfort at sea. Naturally, the strong values ??of the shipyard, such as safety and ease of maneuver are needed with this new model. His strength of character is reminiscent of the women and men of the AMEL community, who animate the spirit of this unique shipyard.
