Nimbus 405 Coupé

Boat Type: Cruiser

OVERVIEW

The Swedish built Nimbus 405 Coupé is the largest boat in the Nimbus Coupé Series, which includes the 305 Coupé and 365 Coupé. The 405 Coupé is built using the same “sidewalk” concept as the award winning 365 Coupé and which was voted “European Power Boat of the Year 2012”

The boat has many similarities to her smaller sisters but offers several new features; Nimbus Design Team has added several interesting aesthetic and functionally integrated details. These include twin touch screens at the helm, room for five to ride facing front, a new D-pillar with integrated ventilation, wholly glazed aft deck door, electric powered table on the aft deck and a “granny hatch” that conceals a mains power plug on the stern. Other innovations include newly designed engine room ventilation in the hull sides with powered extractors, galley with ceramic gas hob and dark composite worktop, 120 litre capacity fridge plus extra cool storage in pull-out drawers beneath the saloon sofa and much more.

SPECIFICATIONS

Basic Information

Manufacturer:	Nimbus	Boat Type:	Cruiser
Model:	405 Coupé	Hull Material:	Fiberglass
Year:	2019	Hull Type:	Deep Vee
Category:	Power		

Dimensions & Weight
