Beneteau Flyer 8 Spacedeck

Boat Type: Center Console

OVERVIEW

The style of the Flyer 8 SPACEdeck is boldly modern, with energetic lines, black pulpits and an optimized beam. Driving is sheer pleasure, with good sea-keeping performance, thanks to an Air Step 2-equipped hull. This Flyer boasts excellent modularity with a central console, modular cockpit and an aft bench that folds back to convert to a sun lounger. The woodwork and upholstery come in a choice of two colours and are of high-quality, as is the overall finish, showing true attention to detail.
