Coastal Craft 30 Profish

Boat Type: Sport Cruiser

OVERVIEW

From our earliest crew boats to our most luxurious sport yachts, Coastal Craft's commitment to thoughtful design, hand made quality and high end performance has been consistent. Introducing the 30 Profish, reflecting a classic hull design, augmented by comfort and style. Where design meets performance in a midsize sport fishing vessel. Applying Coastal Craft's signature strength, power, reliability and hand crafted design: the 30 Profish delivers solid seaworthiness and refined artisan finishes for the captain and crew who appreciate time together on the water, or what some call "apres fish".

The 30 Profish combines fuel efficiency and range when you want it, unmatched speed when you need it. The legendary strength-to-weight ratio of our marine grade welded aluminum hull delivers peace of mind. A well appointed interior featuring a full galley with black walnut millwork finishes, a comfortable dining banquette, spacious forward stateroom and full head with shower embodies stylized finishes often associated with sport yachts. The soft touch walls & ceiling panels create an inviting environment for relaxing after a day on the water. The Profish is an achievement in design and performance that has been 25 years in the making.

SPECIFICATIONS

Basic Information
