# Seaway 24 Sport Center Console

Boat Type: Center Console

## OVERVIEW

Seaway's 24 Center Console Sport reflects the classic Yankee values of New England's waterfront: seaworthy, sturdy, thrifty, and lovely in a form-follows-function way. She's big, open skiff that can take a lot of sea, and amazingly, she performs well with as little as 115 horsepower. With that engine, expect a top speed of 30 knots, with efficient cruise over a broad range from 12 to 23 knots. With a 150, top end will be 33 knots in our sea trial, with efficient cruise to 25. The latter is a good choice for hosting large groups aboard, carrying a lot of gear, and towing tubes and skis.

She's also outrageously versatile. What do you need? A fishboat, a freighter to an island cottage, a great family dayboat, or even an all-weather commercial workboat for a harbormaster? The base boat includes a helm leaning post and space for a cooler beneath.

The 29"-wide console has a front entry door to a head compartment with 52" of headroom, adequate even for adult males. A remote pumpout is available for the portable toilet. In front is a 60"-long storage box with a cushion, held in place with a forward turnbuckle. Need shade? Consider a folding bimini. Need radar? Add a T-top or Seaway's custom fiberglass pilothouse. A fold-down spray dodger is available for the bow. There's space under the port gunwales for horizontal rod racks, long enough for fly rods. The generous 23" pass-through on either side of the

console allows for mounting of vertical rod racks.

Construction is simple but robust, with foam around the composite stringer system beneath the sole. Look at details like the composite backing plates for cleats, fastened with stainless bolts, fender washers, and stop-nuts. The Seaway 24 Center Console Sport is a lot of boat for a modest price.

## SPECIFICATIONS

### Basic Information

Manufacturer:	Seaway	Boat Type:	Center Console
Model:	24 Sport Center Console	Hull Material:	
Year:	2019	Hull Type:	
Category:	Power		

### Dimensions & Weight

Length:	24.00 ft	Draft - max:	1 ft 2 in - 0.36 meter
LOA:	24 ft - 7.32 meter	Bridge Clearance:	-
Beam:	8 ft 6 in - 2.59 meter	Dry Weight:	2850 ft
Deadrise Aft:	-		

### Tank Capacities

Fuel Tank:	64 gallons - 1 tank(s)	Holding Tank:	-
Fresh Water Tank:	-		

### Accommodations

Total Cabins:	-	Crew Cabins:	-
Total Berths:	-	Crew Berths:	-
Total Sleeps:	-	Crew Sleeps:	-
Total Heads:	-	Crew Heads:	-
Captains Cabin:	No		

## FEATURES

Features:

- Navigation Lights
- Cleats
- Dual Flip Seat on Box
- Console w/Porta Pottie/Windshield/SS Handrail
- Spray Rails, White or Black
- Forward Seating w/Cushion
- (2) SS Rod Holders
- Dockside Pumpout
- Sea Stop Scuppers
- Glove Box

- 12V Outlet
- 64 Gallon Fuel Tank
- Boot Stripe
- Rod Racks under Gunnel
- Compass
- Hydraulic Steering
- Vinyl Upholstery
