Dehler 30

Boat Type: Racer and Cruiser

OVERVIEW

Dehler yachts are boats for individualists. All the same, the Dehler 30 one design already leaves our shipyard with the highest level of equipment as standard. Features include a carbon mast, bowsprit, twin rudders, composite aluminium-lead keel, Dehler Carbon Cage and, for the first time, the Dehler Stealth Drive. Use our configurator to personalise your Dehler 30 one design. From new colour options to extra sails, design your boat according to your own individual wishes.
