Beneteau Swift Trawler 47

Boat Type: Trawler

OVERVIEW

Her robust look instantly inspires safety. This feeling is confirmed on board with a very practical open deck plan. Large walkways and several hand rails make passengers feel extra safe moving around. On the large flybridge, up to four people can sit up front underway, facing the sea. The cockpit is wonderfully modular so that you can enjoy the best of what the sea has to offer. The transom provides access to a large swim platform where you can enjoy leisure activities while at anchor. Already easy to handle with its twin engine, the Swift Trawler 47 can be equipped with joysticks that will make manoeuvring in the harbour child's play.

With three cabins and a sofa bed, the Swift Trawler 47 can provide up to eight very comfortable berths. On the upper deck, enjoy the large convivial lounge with facing seats and the open L-shaped galley, all with high-quality fittings. Modular and generous, the salon converts to a guest cabin in a few seconds. The Swift Trawler 47's wheelhouse is accessed from a side door to starboard. It is bathed in natural light and offers excellent visibility from the central driving station.

FEATURES

Facing Lounge

You'll enjoy interacting in the large lounge with facing seats. The sofabed can be converted into a guest cabin in a few seconds.

Life on Board

With three cabins and two showers, the Swift Trawler 47 is the ideal boat for travelling as a couple or with friends or family.

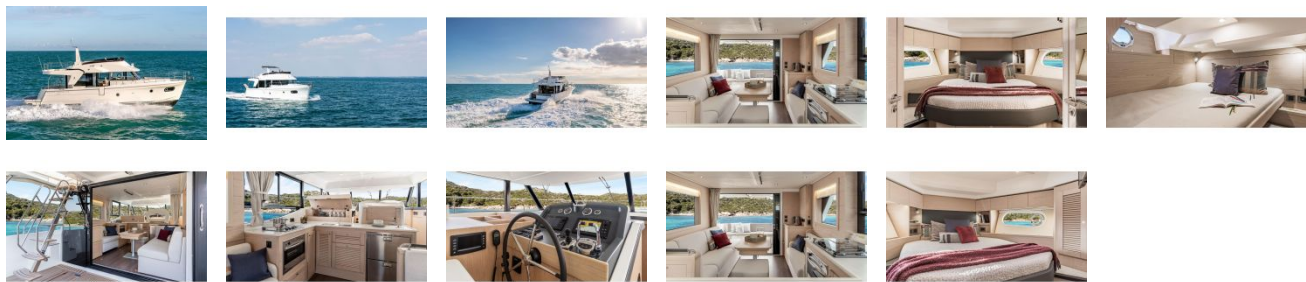

Autonomie Range

In keeping with the outstanding performance of the range, the Swift Trawler 47's fuel consumption is very reasonable. Note that her fuel tank now has a capacity of 510 gallons and the water tank 169 gallons.

Ship Control

Check the gauges, manage the air-conditioning, navigation lights, lighting, and hi-fi system from the driving console or a wi-fi connected tablet: a quick tap or slide of the cursor and the Gran Turismo 50 safely obeys your every command.
