Princess S62

Boat Type: Motor Yacht

OVERVIEW

Powerful yet elegant, the new S62's sleek exterior styling presents a dynamic, agile stance. With an optimised hull form spearheading her efficiency, her MAN V8 1200 engines mean you can experience speeds up to 38 knots. When at anchor her electro-hydraulic bathing platform creates a convenient launch system for a 3.3m tender, a jet ski, or simply a secluded swimming platform. Her sociable galley aft arrangement features an open-plan dining area with sliding doors and a fully opening window leading out to the cockpit. Below deck, six guests are comfortably accommodated across an en suite full-beam owner's stateroom and two further guest cabins with the option of an additional crew cabin aft.
