# Sunseeker 87 Yacht

Boat Type: Motor Yacht

## OVERVIEW

### THE NEW 87 YACHT

Launching in autumn 2020, the 87 Yacht showcases the fresh design direction of Sunseeker's next generation of larger models and underlines the brand's commitment to bringing even more exciting new products to market.

Exemplifying the feel of a true superyacht, the 87 Yacht stand-out features will be its striking lines, incredible volume, a sophisticated open-plan interior and a new 'Beach Club' concept – offering four times the area of a traditional bathing platform design.

The new 87 Yacht is set to surprise and delight at every turn. Every single element has been carefully considered in meticulous detail, exuding a sophistication and detail hitherto only found in custom superyachts.
