

# Back Cove 390

Boat Type: Downeast

## OVERVIEW

Back Cove Yachts presents a new outboard-powered model: the Back Cove 390. The Back Cove 390 will have a 300 plus mile range at cruise, and a top-end speed of 37-knots with twin Yamaha 425hp outboards. Optional power installations, currently being finalized, will provide top-end speeds in the 40+ knot range.

The 390 hull design features Back Cove's proprietary Trailing Edge Lifting Surface for optimal handling and performance. Her cockpit is a fun and relaxing space with transom gates to port and starboard, a U-shaped settee across from an aft-facing seat, and a central table for alfresco dining and entertaining. Expansive storage below the cockpit is easily accessed through a large actuated hatch, and provides generous accommodations for all of your water toys and gear.

The 390 offers a hard back for a fully enclosed helm deck; a unique design in this segment, which allows for climate-controlled comfort and an extended boating season with optimal protection from the elements. Her indoor social spaces keep everyone connected, featuring a galley up design and side-by-side captain and mate seats opposite a comfortable U-shaped settee. The result is a perfect space where the crew can enjoy a meal, or lounge while staying out of the sun or the rain.

Below deck, owners and guests can relax in the privacy of a lower lounge and stream a favorite program to the Smart TV. The spacious owner's cabin forward offers a queen-sized island berth and private access to the head and shower. For the crew, two single beds in the guest cabin are secluded, well proportioned, and comfortable.

## SPECIFICATIONS

### Basic Information

Manufacturer:	Back Cove	Boat Type:	Downeast
Model:	390	Hull Material:	Fiberglass
Year:	2020	Hull Type:	Planing
Category:	Power		

### Dimensions & Weight

Length:	39.00 ft	Draft - max:	2 ft 11 in - 0.89 meter
LOA:	43 ft 11 in - 13.39 meter	Bridge Clearance:	-
Beam:	13 ft 4 in - 4.06 meter	Dry Weight:	-
Deadrise Aft:	-
