Invincible 40 Catamaran

Boat Type: Center Console

OVERVIEW

Sea-keeping ability is our objective with the 40'. We created a boat that would tear through seas from any direction, while still being able to maneuver turns at high speeds. It was designed to go far in less than optimal running conditions. With the optional 800 gallon fuel capacity, the cruise range bumps up to a massive 670 nautical miles. Roundtrip Miami to the Exumas could be done without a pit stop. Not too many center consoles can make it that far, and far fewer can keep up once the seas get rough.
