Caymas 341 CC

Boat Type: Center Console

OVERVIEW

The new Caymas 341CC is designed for serious saltwater tournament anglers as well as discriminating weekend fishermen and their families. Like all Caymas bluewater models, it features the patented Stepped-Vee Ventilated Tunnel (SVVT) Hull. Designed by Michael Peters, this revolutionary drag-reducing hull increases speed, enhances fuel economy, and delivers a remarkably soft, dry ride in heavy seas. Hard-core anglers will appreciate the 341CC's innovative interior features. Integrated seats located in the boat's massive bow can be deployed for passenger comfort while cruising, then folded while fishing for unrestricted deck space. A custom 70-gallon transom livewell features premium Hooker Electric pumps. Oversized fish boxes are located both fore and aft. Lockable rod storage provides security for expensive tackle. An innovative hardtop features a pass-through hatch, allowing easy access to the second station without compromising traditional rod holder placement and storage. An elevated helm station and driving position provides maximum visibility for safer cruising. With its roomy 10-foot beam and numerous creature comforts, the 341CC also provides a welcoming environment for family and friends. Amenities include a porcelain head with Corian® sink and forward chaise lounge seating with armrests integrated into the console that create a relaxing social center while cruising or enjoying the sunset.

SPECIFICATIONS

Basic Information

Manufacturer:	Caymas	Boat Type:	Center Console
Model:	341 CC	Hull Material:	
Year:	2021	Hull Type:	
Category:	Power		

Dimensions & Weight

Length:	33.00 ft	Draft - max:	2 ft 2 in - 0.66 meter
LOA:	33 ft 6 in - 10.21 meter	Bridge Clearance:	-
Beam:	10 ft - 3.05 meter	Dry Weight:	-
Deadrise Aft:	23.00 °		

Tank Capacities

Fuel Tank:	345 gallons - 1 tank(s)	Holding Tank:	9 gallons - 1 tank(s)
Fresh Water Tank:	35 gallons - 1 tank(s)		

Accommodations

Total Cabins:	-	Crew Cabins:	-
Total Berths:	-	Crew Berths:	-
Total Sleeps:	-	Crew Sleeps:	-
Total Heads:	-	Crew Heads:	-
Captains Cabin:	No		

FEATURES

Boat Systems

- Pressurized transom live well with custom Caymas™ acrylic lid, dual fill with adjustable drain and overflow, painted blue
- Hooker® SeaChest live well system: (2) 2500 GPH variable speed Hooker® pumps and helm control knobs with custom highspeed pickups port & starboard
- Custom highspeed pickups port & starboard with 1100 GPH dual port live well pumps
- Windless with custom anchor and bow roller
- Custom fuel manifold valve system above deck for easy access and operation
- 7" digital engine gauge for engine package
- Push button start for engine ignition
- Electric trim tabs with LED control at helm station
- Stainless steel pushbutton switches with custom backlit acrylic panel
- Battery charger located in leaning post
- Battery distribution panel in leaning post with remote battery switches and charging relays
- Circuit breaker protected tinned wiring and custom panel with ignition key switches inside console
- LED anchor light and navigation lights integrated into hard top

- LED cockpit courtesy lights
- LED interior console lights
- LED deck and combing boxes lights
- LED livewell lights
- LED under gunnel lights
- LED Underwater lights, Blue

- Mid-ship automatic bilge pump
- Deck pump-out for holding tank
- Whale® Gulper macerator pump for bow fish box
- Freshwater washdown, in stern and in anchor locker

Construction

- Patented Michael Peters double Stepped V Ventilated Tunnel (SVVT) running surface
- Integrated aluminum mounting blocks molded into stringer system for gyroscope stabilizer
- 100% composite construction - no wood
- Tri-core composite transom
- High performance resin and barrier coat
- Hull hand laid fiberglass construction with foam core in select areas
- Zero-flex fully foamed finished stringer system with integrated chase tubes
- Premium gelcoat, Pure White, with UV inhibitors
- Fiberglass deck with integrated gutter system and self bailing cockpit
- Custom nonskid walking surfaces
- Fuel tanks (3) 5052 aluminum
- Blackwater holding tank

Deck & Hull

- Stainless steel 10" pop-up cleats stern, mid-ship and bow
- Stainless steel through hull fittings
- 316 stainless steel hardware
- Integrated 4 step Res-Q ladder
- Finished hatch lids on both sides and include stainless steel compression latches, lid seal gaskets and gutter drains
- Aluminum backing plates glassed in for seats, cleats, rails, rod holders and tops
- Custom Stainless Steel rub rail

Cockpit

- Recessed stainless steel bow rail
- Self-bailing cockpit with (4) large cockpit scuppers and custom stainless steel Caymas™ branded cover plate
- Stainless steel lid pistons on floor deck hatches
- Friction hinges on-above deck hatches
- (6) GEM® Stainless steel rod holders
- (4) GEM® bow rod holder/cup holder combos
- (2) GEM® bow rod holder/cup holder combos
- (5) GEM® transom rod holders
- Under gunnel rod storage
- Starboard tackle storage with fire extinguisher

- Port integrated trash can with fire extinguisher
- Custom fiberglass locking rod boxes with stainless steel rod holders
- Port and starboard bow storage boxes on gunnel with integrated hand rail
- Forward fender storage box with LED lights
- Insulated transom storage boxes port and starboard
- Custom white marine upholstery for console chaise lounge, integrated bow folding seats, coaming bolsters, and cockpit cooler seating
- Raw water washdown with integrated hose holder
