FEATURES

EXTERIOR DESIGN

With a large unobstructed area on the deck, high gunnels, the opening side platform to enlarge the cockpit and the sporty design, the Flyer 9 SPACEdeck is perfect for all nautical activities.

At the bow, an additional seat option will make it a very comfortable front lounge area and is convertible into a large sunbathing platform.

A fishing station is available as an option, as well as rod holders in the freeboards.

INTERIOR DESIGN

The cabin reserves its share of unexpected comfort features on an open hull. The interior space is surprisingly large and includes two berths, and a head.

SEA-VIEW TERRACE

The opening side platform on port is one of the major new features of the Flyer 9, offering sea views and easy access for swimming.

TWO BERTHS

A feat on an open hull: the Flyer 9 SPACEdeck can accommodate 4 people for a night on board thanks to the two berths.

COMFORT ON BOARD

An additional bench provides a very comfortable and modular in a very wide sunbathing area.
