# Coronado 24 Center Console

Boat Type: Center Console

## OVERVIEW

The voluminous interior of the 24C can seat up to 10 adults. The U-shaped forward seating is sheltered by a dodger and not only creates a wonderful place for entertaining but hides a treasure trove of storage areas. When paired with full bow storage and the convenient ski locker, there is more than ample room for the day's provisions and gear. An extra tall acrylic windshield protects the captain. The convertible leaning post backrest is removable and stows below the seat for fishing or to create a more open feel. Add a DC cooler to keep drinks and perishables cold indefinitely. For the fisherman, additional rod holders and an easily accessible bait well are also available. Standard interior is either rugged marine grade vinyl or a wide choice of Sunbrella® colors and patterns.

## SPECIFICATIONS

### Basic Information

Manufacturer:	Coronado	Boat Type:	Center Console
Model:	24 Center Console	Hull Material:	
Year:	2021	Hull Type:	
Category:	Power
