Coronado 24 Runabout

Boat Type: Runabout

OVERVIEW

Elegant in its simplicity, yet beautifully appointed, the Vanquish 24R Runabout offers a welcoming and low maintenance interior. The exclusive bow forward design created by Doug Zurn allows more room for movement in the cockpit area and fosters an uncluttered feeling. There is ample storage under the bow and in the convenient ski locker between the helm seats. The passenger and helm seats are adjustable for comfort and permit steering while sitting or standing. Under the forward seat there is an integrated, drained cooler. An electric hatch raises the engine box easily for maintenance. The Runabout's sleek wrap-around windshield is as beautiful as it is functional. Standard interior is either rugged marine grade vinyl or a wide choice of Sunbrella® colors and patterns.

SPECIFICATIONS
