Sailfish 320 CC

Boat Type: Center Console

OVERVIEW

The 320CC features a curved T-top, a dash facing that accommodates larger flush mounted electronics, stylish cushions and bolsters and much, much more. Sailfish's design staff has taken input from consumers and have created the ultimate offshore fishing platform. The 320CC is built using our Variable Degree Stepped (VDS) hull design, which offers the softest, driest riding hull in Sailfish history. The VDS hull, combined with proven 4 stroke power, makes the 320 both responsive and extremely agile for a boat its size. Add in features such as the forward-facing backrests, a large, step-down head, and a removable bow table and you have a boat fit for family fun. The 320CC is ideal for an active day on the water and perfect for a sunset cruise. The Sailfish 320 represents the best value in offshore family friendly fishing boats available today.

SPECIFICATIONS

Basic Information
