Axopar 37 Spyder

Boat Type: Cruiser

OVERVIEW

The Axopar 37 Spyder is a trendsetter, an exciting dive-excursion boat, a wakeboarding or water-ski boat and your true playmate for blasting offshore by enjoying the user-friendly characteristics and safe, responsive nature. The Spyder features a functional walkaround deck, with plenty of aft-deck space, a huge multi-functional storage solution combined with a sun-deck.

The Axopar 37 Spyder is also the perfect choice for use as a tender or chase boat for superyachts. Its fast, safe and fun to drive and easy to dock and store due to its low height and weight compared to other 37 footers!

The Axopar 37 Spyder is a true competitor to RIB's and open speedboats but with so much more space for socialising, safer passages and extraordinary comfort. The Spyder is a boat that keeps on giving, not just for high-speed pleasure and undiluted fun, but it's a boat that will satisfy the senses even when lying at anchor and with an easily mounted light-weight sun-shade providing shelter from the sun in the cockpit area.

From an ultra-pleasant day-cruiser to an uber-cool sports-weekender, you can transform your leisure boating options in an instant to comfortably extend your overnight accommodation by specifying the optional aft-cabin that sleeps two additional people.

SPECIFICATIONS
