# Beneteau Gran Turismo 36

Boat Type: Express Cruiser

## OVERVIEW

The powerful bold Gran Turismo 36 is American-made and designed to USA standards, while benefiting from the design ingenuity and expertise specific to the Beneteau brand. She is one of the first boats in her category to combine comfortable cruising with outstanding handling and sensations with optional outboard power.

The exterior deck layout is fully optimized for comfort and entertaining on board. Two bench seats face forward at the helm station, so four people can enjoy the thrills of navigation. The electric sunroof allows the whole area to be bathed in pleasant natural light. The natural light extends to a spacious cockpit lounge area which has room for up to seven passengers. Cleverly interchangeable, the aft bench seats fold back and serve as headrests for the extensive sunbathing area facing aft. Cooking meals is a joy in the outdoor galley, which is just forward of the aft swim platform.

The forward peak has generous space for a real owner cabin with a full-sized bed and ample storage. The aft cabin provides two extra berths separated by a door for onboard guests. Midship you will find a cozy lounge to port with a functional galley space fitted with high quality appliances. A best in class head arrangement offers separate shower and toilet spaces completely partitioned from the vanity.

SPECIFICATIONS
