Beneteau Swift Trawler 41 Fly

Boat Type: Trawler

OVERVIEW

The Swift Trawler 41 has a fluid and balanced profile, emphasized by a slender flared out hull, which means she cuts perfectly through the sea. Her wheelhouse offers a strikingly generous glazed space, while the fore deck, with its large sun pad and a high protective pulpit make this long-distance cruiser even more distinctive. Her hull has also been designed for optimum fuel consumption and efficiency, in both versions available: Fly or Sedan.

Brightness, user-friendliness and comfortable living characterize the welcoming yet practical spaces of the Swift Trawler 41. There are lots of innovative solutions making life easy aboard. The aft galley links seamlessly with the cockpit, which has a sliding bench making it easy to get to the swim platform. In the wheelhouse, the pilot site rotates, allowing eight passengers to sit down in the saloon. The lounge space converts to a comfortable double berth sleeping space, surrounded by a curtain for privacy. Below deck, the three cabins on board bring to 7 the number of passengers the boat can accommodate comfortably on this innovative family cruiser.

SPECIFICATIONS
