Back Cove Back Cove 32

Boat Type: Downeast

OVERVIEW

Back Cove has become synonymous with motor yacht cruising in affordable and easily maintained yachts. “Practical elegance” speaks to the simplicity and serviceability of her systems and to the gracious lines of the down east motor yacht.

The Back Cove 32 is the latest model to be launched in a range that spans more than 700 hulls and 14 years. New to the Back Cove range for 2017 she is an amalgam of design ideas coming from discussions with our current owners and potential owners, about the ways in which they use their boats.

The Back Cove 32 offers the same concepts that have built the success of the range. Extraordinary fuel efficiency from her single diesel engine, straight forward systems and rugged good looks that are the talk of any harbor she enters.

While her on-deck spaces are perfect for entertaining family and friends, her cozy and luxurious interior perfectly suits the needs of the cruising couple. The skilled boat builders at Back Cove have crafted a warm and inviting interior using American cherry, finely finished with satin varnish.

Please step aboard.
