Comitti Venezia 28 Elegance

Boat Type: Runabout

OVERVIEW

Comitti introduced the Venezia 28 in the summer of 2006 with a Limousine for two famous hotels on Lake Como, Italy. The Venezia 28 Runabout in Sport, Classic and Elegance trim was developed and has become the most popular model in the Venezia line.

The V 28 is a great handling rough water day boat accommodating up to six adults in the main cockpit with a full size sunbed aft and teak boarding steps on the transom. A day cabin with electric toilet and cushioned berth provides a new comfort level. The Bimini top for sun protection, 12 V refrigeration, fresh water shower and cockpit table with rotating forward seating round out this versatile boat and permit long relaxed days on the water. With single or twin, gas or diesel power the V 28 is easily handled in calm or rough conditions and a pleasure to drive. Power from single 320 HP to twin 320 HP gas or diesel is available.

An epoxy sealed Mahogany deck finished with Awlgrip Awlcraft 2000 clear acrylic-urethane topcoat provides many years of maintenance free use. The Venezia 28 Elegance fiberglass hull and wood deck combination create a classic wooden runabout experience with the carefree maintenance of a fiberglass hull.

SPECIFICATIONS

Basic Information

Manufacturer:	Comitti	Boat Type:	Runabout
Model:	Venezia 28 Elegance	Hull Material:	
Year:	2016	Hull Type:	
Category:	Power
