Comitti Venezia 34 Sport

Boat Type: Runabout

OVERVIEW

The Venezia 34 is our largest twin engine runabout, designed for ocean and big lake use. Available in three trim lines - Elegance, Classic and Sport with twin diesel or gas engines that provide a thrilling 50 knot ride* with an extra margin of safety for offshore excursions and low speed maneuvering. The Venezia hull is built of high strength fiberglass with beautiful mahogany decking (Elegance) laminated to a GRP sub-deck to create the classic runabout experience while under way. Venezia is perfectly suited to overnight offshore coastal voyaging and full weekends on the lake. With seating for eight, a beautifully appointed cabin below the foredeck awaits you while the huge sundeck aft beckons from the water. Luxuriously appointed in the finest fabrics and wood, the cabin surrounds you with the correct appointments for a weekend away on the water. Wide screen television and iPod compatible marine sound systems entertain you and compliment the interior decor. The latest electronic navigational aids ensure you arrive at your intended destination as planned. Fresh water showers on the swim deck, a hot shower in the toilet cabin plus a small sink and refrigeration unit on deck or below for comfortable living while aboard.

SPECIFICATIONS

Basic Information

Manufacturer:	Comitti	Boat Type:	Runabout
Model:	Venezia 34 Sport	Hull Material:	
Year:	2016	Hull Type:	
Category:	Power
