

Nonsuch Nonsuch 26

Boat Type: Daysailer

OVERVIEW

The NONSUCH 26 ULTRA is now offered in an alternate accommodation plan. We call it the Ultra 26. The Ultra 26 is a response to the great success of the Ultra 30. Featuring a private stateroom forward, this plan, the Ultra plan, has become a statement in the ultimate two person boat. The Ultra is the antithesis of "How many does she sleep?" The Ultra sleeps two with provisions for guests. The Ultra accommodates storage, galley, enclosed head, large ice chest and basic living accommodations for a couple who spend much more time than a few days aboard.

The Ultra plan compliments the entire NONSUCH concept. When one couple becomes a full crew, it is only natural to accommodate this couple above and below decks. The Ultra is, therefore, the ultimate one couple yacht available today.

A classic success story, the NONSUCH 26 CLASSIC and its simple two cabin layout is unique. It was unique when first introduced, and over the years has gained popularity as the most sensible accommodation plan for a family, or an extension of privacy for two couples.

This Classic NONSUCH 26 layout for a family compliments the sailing qualities of the boat. The stability of the NONSUCH and her ability to be sailed by a single person lends time for the other parent to concentrate on the family

and simply enjoy sailing. NONSUCH sailing is done from the cockpit. A more responsible yet enjoyable mode of family sailing is hard to imagine.
