Hanse 415

Boat Type: Cruiser

OVERVIEW

Outstanding performance and innovative design. The Hanse 415 has been named boat of the year in a number of countries.

At HANSE, we always strive to create the fastest cruising yacht of its class. The HANSE 415 is perfectly balanced and has a high degree of stability. You can sail safely and with confidence in changing and challenging conditions.

Stress-free handling means you'll have more fun on the water. You can sail the HANSE 415 single-handed if you wish, as the helmsman can operate the sheets, halyards and reefing lines with ease from the helm. The cockpit is clear of all running rigging.

The deck of the HANSE 415 is conveniently free of all running rigging and obstructions, allowing you plenty of space to relax and enjoy the beautiful surroundings of your favorite anchorage.

HANSE has always been at the forefront of yacht design by creating modern and elegant yachts that maintain a focus on practical benefits. Our designers and engineers adhere strictly to the principle of "form follows function."
