Dehler 29

Boat Type: Racer and Cruiser

OVERVIEW

Sailing! Let yourself be driven by the wind – once in a gliding, then in a rushing way. Once you are in harmony with the elements, then you are fighting them. Sailing hard to the wind, exhilarated by speed, or slowly drifting over glassy waters. Sailing! In all its shapes and colours, with reason and with feeling. Sailing! The Dehler 29.

"Almost a classic today, the Dehler 29 was conceived as a sportive, family-friendly and regatta-ready boat. We expected it to look good, run speedy and be easy to handle by a single person. Its success has proven we were right: The Dehler 29 is becoming a favourite among beginners and small families – at the same time, it helps professionals win international championships. Below deck, we refrained from subdividing the space too much and preferred a generously-sized room from the companionway to the bow. As a result, the Dehler 29 is significantly more spacious."

-Torsten Conradi, Managing Director of judel/vrolijk & co

SPECIFICATIONS
