Dehler 32

Boat Type: Racer and Cruiser

OVERVIEW

Sailing! Let yourself be driven by the wind – once in a gliding, then in a rushing way. Once you are in harmony with the elements, then you are fighting them. Sailing hard to the wind, exhilarated by speed, or slowly drifting on smooth waters. Sailing! In all its shapes and colours, with reason and with feeling. Sailing! Dehler 32.

To build a yacht like Dehler 32, you have to be a sailor to the bone. Your first thought after waking up and your last one before falling asleep must be dedicated to this wonderful sport – only then you are obsessed enough to fine-tune every detail to perfection. As pioneers in the German GRP boat building we have been doing this for more than 50 years and the results make our customers and employees equally proud. Our passion for building the perfect yacht is based on clear values. Dehler 32 represents these values and thus reflects our enthusiasm for true boat building artistry. Immerse yourself in the value world of Dehler.

"More Dynamics & More Fun. That was the basic idea. Comfortable cruising or competitive sailing? If you are looking to get both you don't have to make any compromises with Dehler 32. The combination of shapely and modern design, a convenient deck layout, a high quality interior fitting with optimized space solutions and finally the implementation of excellent sailing features was the challenge! Dehler 32 - a real performance cruiser easy to

handle by a family or with a crew!"
