Southport Southport 292 FE

Boat Type: Center Console

OVERVIEW

One ride on the unbelievable Southport 292 and you will become a believer!

Smart design, Maine craftsmanship, and classic looks create a truly amazing ride on the best-looking boat on the water.

The new Second Generation Southport 292 will make your weekend unforgettable, no matter the plan. Heading out to the canyons to trawl the depths on the hunt for “the big one”? Or perhaps you’re spending an evening watching the sunset with your family in a quiet bay? Plan away, and rely on the 292 to deliver the safe, stable ride your fishing buddies or your family expect from the best-in-class.

The 292 features upgrades above and below deck, all aimed at delivering the most family friendly and fishable center console boat on the market. Changes to the Leaning Post, Forward Cockpit Seating Area, T-Top, and Helm Area give the boat more usable space, no matter what weekend activity you are enjoying.

Southport 292 Family Edition (FE) More inclined to a cruising lifestyle?. The Southport Family Edition (FE) Models

are the SUV of the ocean. On the one hand, the perfect boat for entertaining family and friends, cruising to a distant harbor or island for the day, or just anchoring up at a beach or secluded cove for a day of swimming. The 292 FE is a great choice. Style and grace combine with ergonomics: plush forward seating ahead of the console, and an optional entertainment center, which includes an electric grill and refrigerator plus oodles of storage. The Southport 292 will take you and your guests wherever you want to go in a safe, comfortable style.

On the other, a Southport FE is equally suitable for running out to the canyons loaded with fuel, ice, bait, fishing rods and a handful of your closest fishing buddies in search of a large tuna, billfish or other pelagic fish.

The FE is the ideal mix of family comfort and sport boat features, designed for the fisherman who wants to balance family fun boat with those trips running offshore to catch the wining pelagic.
