Monte Carlo Yachts MCY 70

Boat Type: Motor Yacht

OVERVIEW

The MCY 70 is the perfect evolution of the aesthetics and cutting-edge functional qualities expressed by the MCY 76 and MCY 86. There is no yacht quite like the MCY 70, it is beautifully different from anything else found in the oceans of the world. Highly expressive of the Monte Carlo Yachts' style with elements such as the high-flared bow, the MCY 70 also distinguishes itself with previously unseen features such as the sinuous flow between the profiles of the fly and fashion plates.

FEATURES

External Details

The third boat in the MCY Collection to sail the seas, the MCY 70 features all the form and function the range is known for. The spacious aft area is fully sheltered by the extended flybridge and the ingenious usage of steel and glass fashion plates, a signature Monte Carlo Yachts trait, further increases the feeling of onboard privacy.
